Subject: MME Curriculum Committee Meeting

---

Hello MME faculty,

If you are planning to propose a new course, make a change in an existing course (including prerequisite changes), or modify undergrad or grad catalogs, please contact me so that we can take it up in the MME curriculum committee.

Please note that in order for all the changes to appear in the next university catalog, your proposals must be approved by the Faculty Senate by the second University Curriculum Bulletin (October 25). Otherwise, all changes appear in the catalog one year later.

**MME Curriculum Committee 2005-2006:**

**Arvind Agarwal, Yiding Cao, Kinzy Jones, Sukky Jun, Yong Tao, Sabri Tosunoglu.**

Regards,

Sabri Tosunoglu
